# Welcome TO THE KENTUCKY SHORTHORN FUTURITY SALE

KENTUCKY DEPARTMENT OF AGRICULTURE  
FRANKFORT

BEN S. ADAMS, COMMISSIONER

February 17, 1954

Welcome, Cattlemen of the Nation, to the 1954 Kentucky Shorthorn Futurity Sale. We have indeed been honored to have a great number of you attend in former years.

Kentucky, so richly endowed with nature's most productive soils and ideal climate, will in the near future, we feel, be as well known for her cattle as for her fast horses and beautiful women. The State, through our Legislature, has provided funds for premiums which are playing a major part in accomplishing this future. Our Shorthorn, as attested by the premiums awarded our breeders, are among the finest.

Actually Kentucky was the first home of registered Shorthorns west of the Allegheny Mountains. We're proud that cattle from Kentucky were the seed stock that spread across these United States.

I hope you will have the opportunity and time to tour our State this Spring -- a season of real beauty here.

Again, Welcome to Kentucky for the 1954 Shorthorn Futurity and for any time.

Sincerely yours,

*Ben S. Adams*  
Ben S. Adams  
Commissioner

Thomas S. Waller, president of the Kentucky Shorthorn Breeders' Association and Mrs. James N. Kirk, secretary of the Kentucky Shorthorn Breeders' Association are shown receiving a check for \$4,000 from Commissioner of Agriculture Ben S. Adams, center. This money was the state's share of the \$8,000 in premiums awarded in the 1953 Kentucky Futurity.

First-prize junior get-of-sire 1951 International, exhibited by the Browns of Kentucky. Sire, Sni-A-Bar Randolph. He also sired the first-prize senior get of the 1952 International. The Browns of Kentucky sell five head in this sale.

# \$8,000 IN PREMIUMS

TO ATTRACT THE NATION'S BEST

\$8000 in premiums. \$4000 is being awarded by the State of Kentucky, Department of Agriculture. \$4000 is being awarded by the Kentucky Shorthorn Breeders' Association. All animals must be shown. All must be sold by auction starting at 12:30 p.m., SATURDAY, MARCH 27.

Allan C. Atlason, executive secretary of the American Shorthorn Breeders' Association is shown about to award the grand championship ribbons in the female division of the 1953 Kentucky Shorthorn Futurity. At the right is KF Golden Chain 10th out of a Marshall Monty dam, being held by his owner, Rodney Meacham, Morganfield, Kentucky. His father, William Meacham, seems mighty interested in what is going on. At left is Dr. E. M. Travelstead, Harrisburg, Illinois, with the reserve champion female, Hillcroft Nonpareil 3rd by Aberfeldy Royal Leader. The champion sold for \$1275 to Almahurst Farms, Nicholasville, Kentucky. The reserve champion sold for \$1175 to Crown Crest Farm, Lexington, Kentucky. Both Travelstead and Meacham are back again this year to try to do it again.

## THE 1954 KENTUCKY FUTURITY SHOW

Judge: L. E. MATHERS, Mason City, Illinois

Time: 9:30 a.m., SATURDAY, MARCH 27

The LARGEST first, second, third, fourth, fifth, sixth, and seventh PRIZE PREMIUMS to be offered anywhere this year ... including the International and National Shorthorn Show. Is it any wonder that we have been able to attract the best? This sale is limited to approximately 60 head because of barn facilities and because we want large premiums so that the best cattle will be attracted. Remember, too ... that this show differs from the International and National in that every animal in it sells.

Lot 9

Acadia Farms

Bull

ACADIA SPORTSMAN 19th - The senior calf from the 1953 Acadia show herd that stood near the top of his class wherever shown. At the Kentucky State Fair, he placed second in class and was a member of Acadia's first-prize junior get of sire. The calf that placed next above him at the Ohio and Indiana State Fairs brought \$3,300 in the International sale. By the \$16,500 Calrossie Sportsman and out of a daughter of Pittodrie Upright, Perth Supreme champion, he is as correct in his bloodlines as he is in his conformation.

Lot 10

Crown Crest Farm

Bull

CROWN CREST EDWIN - An outstanding son of the \$10,000 1951 International grand champion, Edwin Leader, A rare prospect.

Right. The 1951 International grand champion bull, Edwin Leader. He was purchased for \$10,000 by Crown Crest Farm, Lexington, Kentucky. Lot 10 is the first calf by him offered for sale.

Edellyn Beauty 26th, left. Dam of Squadron Beauty, lot 11. She was one of the top selling females of the 1951 Edellyn sale.

## Lot 11

Bull

Almahurst Farm

**SQUADRON BEAUTY** — A low-set, short coupled, well balanced bull. His sire, Edellyn Squadron Leader won the Nelson trophy at the American Royal in 1948, was first-prize senior yearling at several state fairs in 1949 and stood second at the American Royal, International, Denver, and Ft. Worth. Edellyn Beauty 26th was one of the top-selling females in the 1951 Edellyn sale. She is a Royal Leader—Mercury cross, the combination that has produced many outstanding cattle. This bull has the style, balance and substance to make him an outstanding herd sire.

Bull

Hanson Heights Farm

**HHF BOQUHON BOUNCE** — Is a good, red roan bull, with a great top and very smooth. Has the head of a breed-improving sire, tremendous thickness, is short legged, very rugged and of the modern type. His sire Sunset Bounce, whose progeny has rated among the tops, needs no introduction. The dam, a wonderful brood cow, because of her individuality and high rate of production, has gained a life-long place in our herd.

Sunset Bounce, left. 1948 International reserve champion bull and sire of many champions at leading state and national shows. A son and a daughter are being sold in this sale by Hanson Heights Farm.

Lo Mar Favorite, left. This son of the 1947 International grand champion, Kelburn Banker Royal was sold to Dr. W. D. Poston, Brownsville, Tennessee, for \$4,500. He was used in the Lo Mar herd before this purchase. The bull and heifer they are selling by him offer ample evidence that he is one of the breed's top sires.

## Lot 13

Curtiss Candy M Senator. One of the most popular bulls in service today. Lot 17 is the first son to be offered for sale. Several heifers bred to him are in the Luther K. Rice consignment.

**Lot 17****Bull****Luther K. Rice**

*SENATOR'S MODEL* — The best bull calf we have ever sold. He is our first by Curtiss Candy M Senator. Good judges who have visited the farm and have seen this calf running with two others, the same age, by Curtiss Candy M Senator, agree that Senator is destined to become one of the greatest breeding bulls of our time. This calf can solve the herd bull problem of the best herd in the nation. Edellyn Modest Mercury was the top selling bull of the 1941 Edellyn sale. Carried on into fall, this bull would be hard to stop in the junior yearling class.

## CAN YOU AFFORD TO BUY TOP FEMALES?

It takes the same amount of labor and pasture to produce a mediocre animal as it does to produce a top one.

More often than not it takes more feed to produce a medium quality animal than it does a good one because better cattle are better doers. It costs just as much to transport a mediocre animal to your farm.

When you buy your herd bull, your foundation females or your replacement females, you are setting the pattern of your own future production and profit.

The question that most people would ask to all of this is, "Can I afford the extra investment to purchase

a top animal?" The forty-six females in last year's Kentucky Futurity averaged \$625. There were no plain quality animals to bring that average down and no extremely high tops. The top female brought \$1,600 and five others sold for a little over \$1,000 apiece. Everyone agreed that the quality in last year's Futurity was excellent and we are certain that all who come will agree that this year's offering is even stronger. When you figure your own time and production costs, and the lasting improvement that a good one can work in your herd, the extra investment required to buy a top animal is a very small item in the overall picture.

**Luther K. Rice**

*MYRTLE KATHY* — There has never been a heifer quite as good dropped on our farm and we don't think you would see more than a half-dozen of this kind if you traveled the entire country. What pleases us more is that she is one of the first by Kirkforther Endeavor. Her mother has been one of our best producers. She is a double granddaughter of Cruggleton Prince Bob. Note also that her grandam was one of those Davidson Edellyn Modern Mercury cows. This heifer sells bred to Curtiss Candy M Senator, and the resulting calf will be one of the first Senator-Endeavor crosses. This is the cross we are pinning our future to.

## Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

In addition to providing state funds for a share of the show premiums, the State of Kentucky also shares the cost of bringing this sale to the attention of cattlemen everywhere.

Some who read this catalog may not be familiar with the superior beef making performance qualities of Shorthorn cattle. Here are two good illustrations. Notice how the Shorthorn cow above is equipped to give her calf a healthy start in life. Too many beef cows of other breeds starve their calves. Increase nature's supply of feed through the use of Shorthorn blood in your herd.

This cow is Resolution Verbena, a twelve-year-old member of the Luther K. Rice, Paris, Kentucky, herd. She is the dam of two past Kentucky sale grand champions. Her calf is by Klaymor Jobber.

Below, is an illustration of how Shorthorn bulls are the greatest of all improvers. The cow at right is half Jersey - half Hereford. The use of a good Shorthorn bull on this cow produced the calf at left which weighed 825 pounds at 10 months of age.
